### 1. Meeting Start

The meeting started at 10:30 am on Sunday October 14<sup>th</sup>, 2012. The members agreed on an agenda and added to the updates that a letter from WRFN had been received by the committee and needed to be reviewed and discussed.

Sam White was unable to attend this steering committee meeting therefore there was no quorum and no decisions were made. Any discussions or information collected at this meeting will be reviewed by Sam White before it is accepted.

### 2. Discussion of Minutes from Previous Meetings

- No issues raised.

### 3. Updates

- White River First Nation Chief Charlie Eikland Jr. sent a letter to the Pickhandle Lakes steering committee that outlines concerns WRFN has with the planning process and community engagement. Steering committee members read the letter and drafted a response. This response letter will be sent to Sam for review before being sent back to WRFN.

- There were no other updates.

#### **4. Review and revision of draft recommendations**

- The steering committee reviewed the draft recommendations over the day and a half meeting and worked on edits to wording and draft plan structure. **Action 1:** Tess will continue to make edits and updates to the draft management plan as more information is collected, drafts will be sent to committee members for ongoing review and comment.
- Clarification is needed on the definition of Heritage Resources. **Action 2:** Tess will contact Tourism and Culture for more information on this.

#### **5. Next Steps**

- All information from this meeting will be sent to Sam for review and comment before approved.

#### **6. Adjournment**

- The meeting was adjourned at 12:00pm on October 15<sup>th</sup>.
