## BRIEFING NOTE

The committee invited members of the Yukon Fish and Wildlife Management Board, Renewable Resource Councils in the Southern Lakes area, and relevant staff from the parties to a special meeting held March 1, 2010 to review the draft moose recommendations. The following is a summary of meeting highlights. Detailed minutes are available from the committee.

1. Participants introduced themselves with their names and the last time they saw a moose in the Southern Lakes area.
2. Each government, board and council was given the opportunity to update the group on work they are doing on moose in the Southern Lakes area.
3. Michelle Sicotte provided background on the committee and an overview of developing the draft moose recommendations.
4. Tom Jung provided an overview of the status of Southern Lakes moose.
5. Emmie Fairclough provided an brief overview of the recommendations.
6. Participants broke into four facilitated groups to review and provide feedback on draft recommendations. Participants had an opportunity to comment on all draft recommendations; rotating between groups every 30 minutes. Facilitators provided a brief summary of the discussions in their groups.
7. Committee will take what they have heard to the next meeting in April and revise the recommendations. These recommendations will be sent to the parties for comments. The final draft recommendations will be produced from this process.

More information about the Southern Lakes Wildlife Coordinating Committee can be found online at [www.southernlakeswildlife.ca](http://www.southernlakeswildlife.ca), by phone, or directly from the representative in your community.
